

# Cooperative Monkfish Tagging Study

Have you caught a monkfish with **pink** tags?  
If so, you are eligible for a...

## \$500 REWARD

These fish have been implanted with electronic data storage tags to help us investigate large-scale monkfish movements and behaviors.

### To Claim Your Reward:

You must **SAVE THE ENTIRE FISH\*** and report capture date and location.

### To report a tagged fish or for more information:

visit: <http://www.gmri.org/tagging> or  
<http://www.nefsc.noaa.gov/read/popdy/TagReporting/TagReporting.htm>

email: [monkfishtagging@gmri.org](mailto:monkfishtagging@gmri.org) (subject monkfish)

call toll-free: 1-866-447-2111

**\* Please store on ice or freeze if necessary.**

**Contact us for instructions on where to send the fish and to receive your reward.**
